419/25/A PURSTON PARK FOUNTAIN	Action	Actioned By
Wakefield Council have been in touch with regards to the fountain at Purston Park following the disbanding of the Friends of Purston Park. Members of the Town Council are asked if they would like to take over the responsibility of the fountain. Members to note there is no current budget set for the Fountain and the Council also need to consider water quality testing and treatment, mechanical and electrical maintenance, cleaning, safety, seasonal shut down along with maintenance costs, insurance costs and any vandalism. Member's thoughts are requested. Councillor Longley asked if any costings have been received from Wakefield, the Town Clerk advised that she had requested this twice but had received no update. Councillor Belbin felt it impossible to make a decision without knowing the full cost. Councillor M Tennant-King advised that she felt that the Town Council should keep the fountain as it is a community asset. Councillor Vickers felt that this was an emotive subject, however this required checking the implications of possible		

“double taxation” as Purston Park is under the responsibility and ownership of Wakefield Council. The clerk advised that the wording from Wakefield Council advised that should there be any issues with the maintenance management, Wakefield Council reserves the right to revert the area back into a flower bed. Councillor Vickers added that as a district councillor he had not heard anything from Wakefield advising that they wish to get rid of the fountain and that he would check into this. Members agreed that the responsibility of the fountain should come under the remit of Wakefield Council and the Clerk is to write back to advise of this.
